

# Text Message Order Notifications

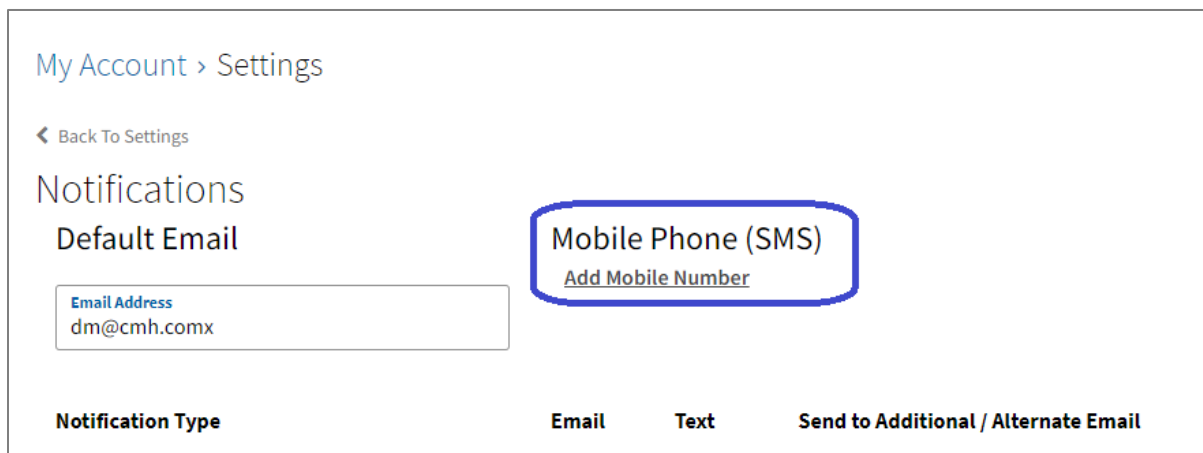

## Quick Reference Guide

Did you know that you can receive up-to-the-minute order notifications from PartsSource directly on your mobile phone? To set up SMS text message order notifications:

1. From the PartsSource home page, click My **Account** | **Settings**.
2. From the *Settings* screen, click the **Notifications** button.

3. From the *Notifications* screen, click **Add Mobile Number**.

4. You'll be prompted to add a mobile number, and we'll send you a verification code to make sure we're sending your text notifications to the right place.

5. Once your mobile number is verified, select the **Check Box** next to each notification you want to receive by text.
